## Autumn Seminars in Europe and the US

by Rick Parmely, Technical Training & Education Manager

Our GC and HPLC seminars are well known and well received across the USA and around the world. Our autumn seminars include those listed here. For details about these seminars, please contact the Restek representative listed. For the most current schedule of US seminars, please visit our website ([www.restek.com/seminar](http://www.restek.com/seminar)). If you're interested in a seminar in your city, or country, please call and talk with us.
